## OBEDIENCE

*knowing and doing God's Word*

### Hope Is Here

Each month this fall, we plan to engage our community, serve our neighbors, and share the good news of salvation in Christ. We are calling it "Hope is Here." You will be hearing more about these outreach opportunities in your Small Group Bible study time.

In September, we are planning to have "Snow Cones in the Neighborhood." We will canvas a neighborhood, set up the church's snow cone machine, and serve flavored ice while having warm conversations. The purpose of this outreach is to connect with our community, build relationships, and have gospel conversations with our neighbors. Look for more outreach opportunities this fall.

### Donate Disinfecting Wipes

You know what this pandemic has caused? Well, it's caused A LOT of things but one of them is that we are struggling to get disinfecting wipes. If you are out and about and see some, would you mind to pick some up and donate them to our church? We will have collection bins stored at each entrance. Thank you for always helping us move forward in ensuring we are taking appropriate measures to keep everyone safe.

### Harbor House // New Life Center

The New Life Center is partnering with Bethany Haven Harbour House in Bardstown to provide mentoring and friendship to their male residents. If you are interested in being a mentor and serving once a month on a Thursday evening, please email Marcella Crenshaw at [marcella@thenewlifecenter.com](mailto:marcella@thenewlifecenter.com) for more information.

### Baby Bottles // New Life Center

Don't forget to return your Baby Bottles to any of our Information Desks. Deadline is Sept 27!
